

## Newsletter #5 January 2024

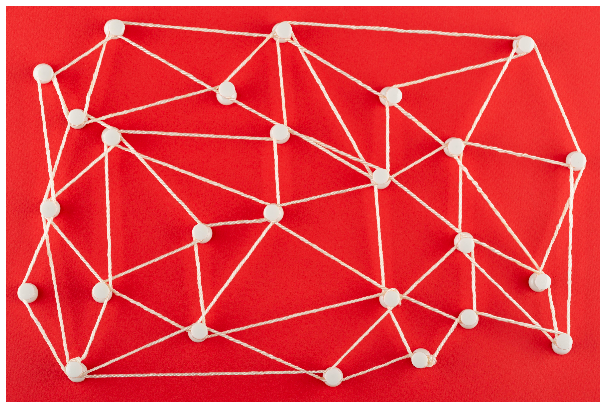

---

*First and foremost, a happy 2024 to you!*

This short and sweet edition of the Newsletter simply aims at keeping you informed of the output of the EOSC SOA and some goings-on in our community. We hope you enjoy!

---

### **EOSC SOA News**

### **Austria Country Report 4/2023**

At the end of 2023, the latest edition of the quarterly **Austria Country Report Q4/2023** was published by the eponymous Working Group. It is an excellent overview of the current open data landscape in Austria.

Grab a cup of [coffee/tea/beverage of choice] and have a read-through if you haven't already.

## OPEN SCIENCE AUSTRIA

### Recap of the OSA Info Day Graz, 15 January 2024

EOSC SOA visited the OSA Info Day in Graz to get a closer look at this other Open Science initiative in Austria. In this recap of the OSA Info Day Graz, we provide an overview of the discussed topics during the event and an introduction to the Open Science Austria (OSA) initiative.

## New Newsletter Format

If the aesthetics of the newsletter seem a bit different, it's not just you. We have decided to move to a new newsletter plug-in called Brevo, which we prefer for its usability and being based in the EU.

Let us know how you like it!

Best wishes and much success from:

The EOSC SOA Secretariat Team
