

EOSC Support Office Austria

The EOSC Support Office Austria (EOSC SOA) supports ACONET, which is the Austrian EOSC Mandated Organization, and all Austrian research institutions. The goal of EOSC SOA is to realize the EOSC vision: a federated, multi-disciplinary environment to find and use data, tools, and services for research, innovation, and education.

WHO ARE WE?

EOSC SOA is a **collaboration** of diverse institutions, agreeing via a Memorandum of Understanding, to **integrate Austria's research infrastructure** into the European landscape.

Our Objectives:

1. Coordinate Austrian contributions in the implementation of EOSC.
2. Influence Austria's strategic EOSC agenda.
3. Foster "EOSC Readiness" at partner institutions.

All Austrian institutions are welcome to join us:

Bundesministerium
Frauen, Wissenschaft
und Forschung

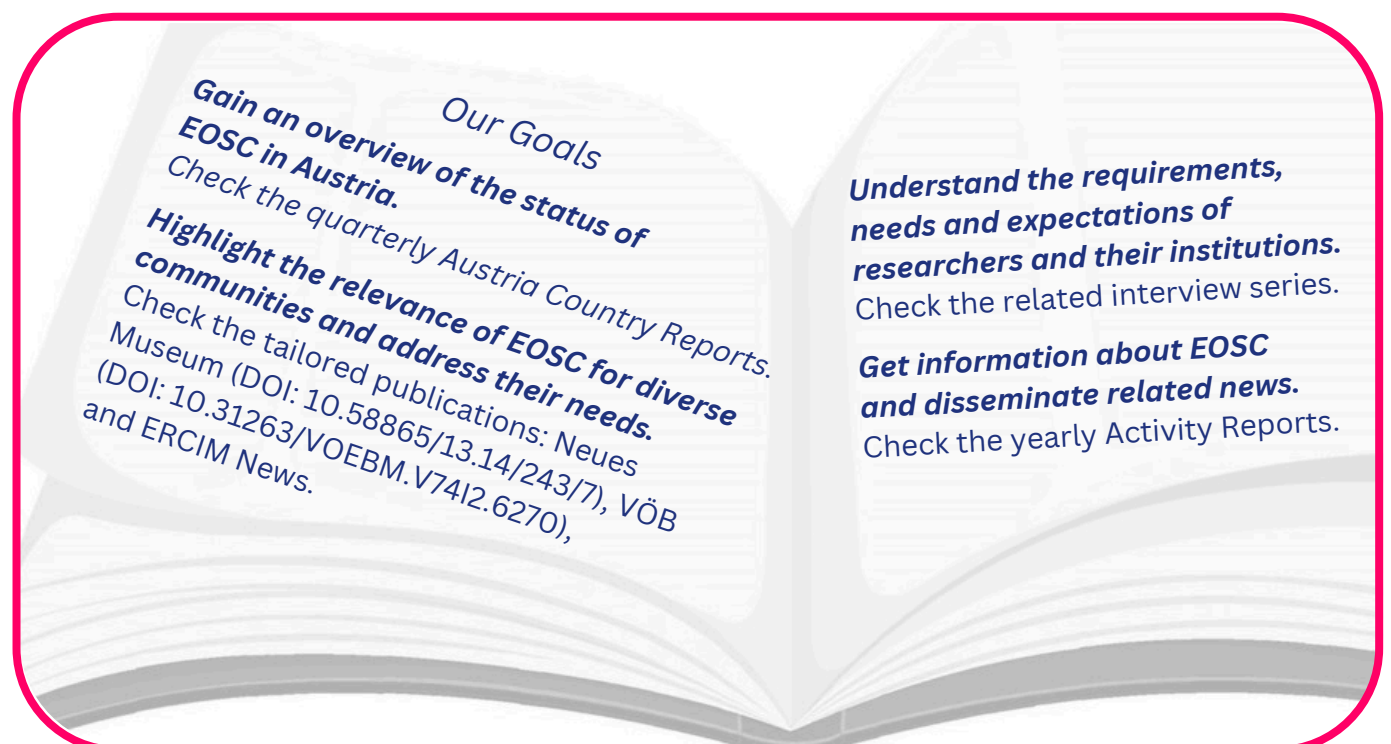

A...kademie der
bildenden Künste
Wien

WHAT DO WE OFFER?

We support **Austria's active engagement** in the development and realization of EOSC by:

- Harmonizing developments and **building an EOSC community** through national and international networking.
- Providing guidelines and good practices for the **establishment of EOSC**.
- Connecting researchers, infrastructure providers, and management to **develop and operate EOSC services**.
- Synchronizing on the steps required to **participate in the EOSC Federation** and establishing an EOSC Node.
- Updating on developments, **funding and collaboration** opportunities.
- **Collecting requirements** from institutions, service providers, and researchers to shape the evolution of EOSC.
- **Aligning efforts** with other Mandated Organizations.

The EOSC SOA is supported by the Federal Ministry of Women, Science and Research (BMFWF).

Subscribe to the EOSC SOA Newsletter, meet us at the EOSC Café, join our events and the Zenodo Community (EOSC Austria). Let us know your expectations, concerns, and needs to help us jointly build EOSC.
